Lawrence County Joint Vocational School District PHILOSOPHY

The faculty, staff, administration, and Board of Education of the Lawrence County Vocational School District individually and collectively hold the responsibility of providing educational opportunities in the school service community, based upon the following principles:

1. Education holds a central position in the creation, development and nurturing of a society.
2. Education should be constantly cognizant of the fact that all persons are individuals of worth and are entitled to be treated with dignity and respect.
3. Education functions under the realization that equal opportunity to access and to benefit from teaching and learning must be offered to all persons.
4. Education should provide opportunity for faculty and staff members to grow in their professional competencies.
5. Education provides the opportunity for all citizens in a democratic society to explore, to discover, and to develop their special aptitudes and interests.
6. Education holds as a sacred trust its responsibility to assist persons in their quest for a fulfilling career and meaningful life, and for responsible citizenship in a world characterized by change.

Zero Tolerance Policy

The Board of Education will not tolerate violent, disruptive, or inappropriate behavior by its students and such behavior is prohibited as set forth in the “Student Code of Conduct. Moreover, in compliance with ORC 3313.534, the Board also has a Zero Tolerance policy for excessive truancy and truancy from school resulting in disciplinary action as set forth in the Board’s Student Attendance Regulation.

Attendance

The Board of Education believes that there is a direct correlation between a student's academic success, his/her attendance, and the amount of quality time that is actually spent on instruction and learning activities. Frequent absence from school disrupts the continuity of the instruction process. As a result, the benefit of classroom and laboratory instruction is lost and can never be entirely regained, even by make-up work.

Board of Education

Lawrence Co. J.V.S. School District

ATTENDANCE POLICY

Revised July 1, 2017

The educational programs offered by the Lawrence County J.V.S District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance shall be required of all students enrolled in the schools during the days and hours that the school is in session.

A student in grades 9 through 12 may be considered a full-time equivalent student provided the student is enrolled in at least five (5) units of instruction, as defined by State law, per school year.

In accordance with statute, the Superintendent shall require, from the parent of each student of compulsory school age or from an adult student who has been absent from school or from class for any reason, a written statement of the cause for such absence. The Board of Education reserves the right to verify such statements and to investigate the cause of each single absence or prolonged absence.

Repeated infractions of Board policy on attendance may result in additional consequences for the student and/or the parent/guardian of the school age student.

The Board considers the following factors to be reasonable excuses for time missed at school:

- A. Personal illness (a written physician's statement verifying the illness may be required)
- B. Illness in the family necessitating the presence of the child
- C. Quarantine of the home
- D. Death in the family
- E. Necessary situation at home due to absence or incapacity of parents(s)/guardian(s) and must have approval by the Principal/Assistant Principal
- F. Observation or celebration of a bona fide religious holiday
- G. Out-of-state travel (up to a maximum twenty-four (24) hours per school year that the student's school is open for instruction) to participate in a District-approved enrichment or extracurricular activity with prior approval by the Principal or Assistant Principal

Any classroom assignment missed due to the absence shall be completed by the student and shall be turned in within 5 days of the student's return to school

H. Such good cause as may be acceptable to the Superintendent or his/her designee

I. Medically necessary leave for a pregnant student with Doctor approved orders to be absent from school

Attendance need not always be within the school facilities; A student will be considered to be in attendance if present at any place where school is in session by authority of the Board.

The board shall consider each student assigned to a program of other guided learning experiences to be in regular attendance for the program provided that s/he reports to such staff member s/he is assigned for guidance at the place in which s/he is conducting study, and regularly demonstrates progress toward the objectives of the course of study. This includes apprenticeships, internships, and job shadowing. An attendance sheet shall be turned into the school by the supervising staff member at the end of each week.

Board of Education

Lawrence Co. J.V.S. School District

The Superintendent or his/her designee may excuse a student over fourteen (14) years of age from attendance at school for a future limited period for the purpose of performing essential work directly or exclusively for his/her parents or guardians. Such excuse should not exceed five (5) days and may, at the discretion of the Superintendent or his/her designee, be renewed for five (5) additional days. At no time, however, shall such excuse cause a student to be absent from school for a period of more than ten (10) consecutive days.

At the discretion of the Superintendent or his/her designee, a student may be excused for a longer period of time than ten (10) days if a child's parent or guardian has recently died or become totally or partially incapacitated and there is no older brother or sister living in the home who is out of school. (The Superintendent may request a certificate of a physician attesting to the physical condition of the parent or guardian.)

A student will be considered habitually truant if the student is absent without a legitimate excuse for thirty (30) or more consecutive hours, for forty -two (42) or more hours in one (1) school month, or for seventy-two (72) or more hours in one (1) school year.

Legitimate excuses for the absence of a student who is otherwise habitually truant include but are not limited to:

- A. The student was enrolled in another school district;
- B. The student was excused from attendance in accordance with R.C. 3321.04; or
- C. The student has received an age and schooling certificate (work permit).

If a student is habitually truant and the student's parent has failed to cause the student's attendance, the Board authorizes the Superintendent or his/her designee to file a complaint with the Judge of the Juvenile Court (following a checklist) and/or to take any other appropriate intervention actions as set forth in this Board's policy.

If a student who is habitually truant violates the order of a Juvenile Court regarding the student's prior adjudication as an unruly child for being a habitual truant, s/he may further be adjudicated as a delinquent child.

Board of Education

Lawrence Co. J.V.S. School District

In order to address the attendance practices of a student who is habitually truant, initially determined by absence of the student without an excuse for thirty (30) or more consecutive hours; forty-two (42) hours or more in one month; or seventy-two (72) or more hours in one school year; the Board authorizes the Superintendent or his/her designee to take any of the following intervention actions:

- A. Assign the student to a truancy intervention program
- B. Provide counseling to the student
- C. Request the student's parent to attend a parental mediation program
- D. Request a parent to attend a truancy prevention medication program
- E. Notify the Registrar of Motor Vehicles of the student's absences
- F. Take appropriate legal action
- G. Assignment to an alternative school (Note: If the District has established an alternative school, it must appear as an alternative intervention strategy.)

Chronic absenteeism percentage that is less than five (5%) percent, as displayed on the school district's most recent report card, would be exempt from the requirement. Chronic absenteeism over five (5%) percent would require the school district to assign habitually truant students to an absence intervention team as stipulated in ORC 3321.191.

The Lawrence County Juvenile Court has created a checklist as a guide to comply with prior to the referral of the habitually absent student to the court. See attachment.

The Superintendent or his/her designee is authorized to establish an education program for parents of truant students which is designed to encourage parents to ensure that their children attend school regularly. Any parent who does not complete the program is to be reported to law enforcement authorities for parental education neglect, a fourth class misdemeanor if found guilty.

Board of Education

Lawrence Co. J.V.S. School District

The Superintendent or his/her designee shall develop administrative guidelines that:

- A. Establish proper procedures so the student and his/her parents are provided the opportunity to challenge the attendance record prior to notification and that such notification complies with R.C. 3321.13(B)(2);
- B. Establish a school session which is in conformity with the requirements of the rules of the State Board;
- C. Govern the keeping of attendance records in accordance with the rules of the State Board;
- D. Identify the habitual truant, investigate the cause(s) of his/her behavior, and consider modification of his/her education program and plan to meet particular needs and interests;
- E. Provide students whose absence has been excused an opportunity to make up work they missed and receive credit for the work, if completed;
- F. Refer for evaluation any student who, due to a specifically identifiable physical or mental impairment, exceeds or may exceed the District's limit on excused absence to determine eligibility either under the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act of 1973, or other appropriate accommodation.

Board of Education

Lawrence Co. J.V.S. School District

Whenever any student of compulsory school age (age 6-18) has sixty (60) consecutive hours in a single month or a total of ninety (90) hours of unexcused absence from school during the school year, s/he will be considered habitually absent. The Board authorizes the Superintendent or his/her designee to inform the student and his/her parents, guardian, or custodian of the record of excessive absence as well as the District's intent to notify the Registrar of Motor Vehicles, if appropriate, and the Judge of the Juvenile Court of the student's excessive absence.

If a student transfers from one Lawrence County School to another, the student's absence record will follow the student and all appropriate policies and laws will apply.

Tardiness

A student who reports after 8:05am and before 9:00am will be counted tardy unless arriving on a bus. Six (6) tardies equal one (1) day absent.

Returning to School After an Absence

The student must report first to the office of student services to receive a class admittance slip. The student will present the following:

Date of return

Student's full name

Number and dates of days missed

Reason for absence

Signature of parent/legal guardian, or

Other verification of absence (ex. Doctor's excuse)

Upon returning to class, a student must complete work missed. It is the student's responsibility to ask the instructor for make-up work.

Mentorship programs in Health Tech Prep

Students who are enrolled in Health Tech Prep programs are required to attend clinical experiences located at community locations (an example would be Heartland). These are documented as a portion of the approved curriculum offering and will be under the same scrutiny and will follow the same rules as if in attendance at the Collins Career Technical Center. These students will be answerable to representatives from the approved facilities, as well as Collins Career Technical Center staff.

Make-up Work

Make-up work will be provided to students after an absence. All make-up work must be completed within five (5) days of the student's return to school.

Early Dismissals

All early dismissal permits must be obtained from the principal/assistant principal. If the student is under 18 years old, the student cannot leave school for any reason without first contacting a parent or guardian. Early dismissals for students who are serving ALC or who are not in compliance with the attendance policy will not be granted, with the exception of circumstances judged sufficient by school authorities.

Students are not to be excused by any instructor to leave school property without authorization from administration.

School Closings

When the decision to close the career technical center is made, to the following media and TV newsrooms are immediately notified: WOWK, WSAZ (TV); WTCR, WDDG, and WKEE (Radio). Please do not call school personnel, the school office, or the media; listen to your radio or TV for announcements. Also, students will be notified by an automated calling system when the school is closed.

If the CCTC is open and your home school is closed, you are not required to attend the career center. However, if your home school is closed, but provides transportation when the CCTC is open; you are required to be in attendance.

Grades

At least one grade per week is to be entered in progress book by each teacher.

The grading system divides the school year into two semesters with two 9-weeks grading periods in each semester. Report cards, issued at the end of each nine weeks grading period, will report the letter grades for students based upon the following scale:

Letter Grade	%	Numerical Score
A	90-100	4.0
B	80-89	3.0
C	70-79	2.0
D	60-69	1.0
F	0-59	0.0

Parents of students failing any grading period will be notified and invited to a school wide Parent Teacher Conference or at a time convenient to them.

Senior Skip Day

Collins Career Technical Center does not recognize Senior Skip Day. All students absent that day without a legitimate excuse will be considered truant. Proper disciplinary action will be taken if such violations of policy occur.

Plagiarism/Cheating Policy

Plagiarism and cheating are offenses against the integrity of the courses being taught at the Collins Career Technical Center. This involves intellectual dishonesty, deceptions and fraud, which inhibit the honest exchange of ideas. Cheating is any form of intellectual dishonesty or misrepresentation of one's knowledge. Plagiarism, a form of cheating, consists of representing someone else's work as one's own. Students who are caught cheating or using plagiarism will receive "0" credit for the test or assignment in question. Discipline action may also follow the "0" credit.

Prom

Students who attend the CCTC Prom must be between the ages of (16-20). Students will be required to show evidence of their age prior to registering for prom. Students are subject to the student code of conduct while in attendance of the CCTC Prom. Students attending prom must be in compliance of the school attendance policy in order to attend the prom. Special circumstances will be decided by the administration. Students who are repeat offenders (ALC, alternative school) will be evaluated on a case-by-case basis.

Credit Flexibility

In accordance with state law, the Collins Career Technical Center has information and flex classes. For information concerning credit flexibility options; please visit CCTC student services for details and additional information.

(Academic Program) Make-Up Policy

Students may make up work for missed days under the following guidelines. For both excused and unexcused absences, the student will have five (5) days to make up their work upon their return to school. For extended consecutive absences, the student's teachers and a designated administrator or supervisor will determine an appropriate number of days (not to exceed the total consecutive number of excused or unexcused absences) to allow for the student to make up their work.

Catch up Café/Lab Lockout

Students who do not turn in assignments to their teacher will be assigned catch up café by the Principal. Student will have until the next school day to turn the work into the teacher or the work will be done in the ALC room or another specified location on Fridays during the student's scheduled lab time. Failure to complete the work will result in disciplinary action. If not completing in 3 days from issuance refer to assistant principal for discipline.

Credits

Students who receive passing grades will earn credits each year as follows: all classes are one (1) credit each **EXCEPT** lab, which has a value of four (4) credits for a total of eight (8) credits.

A student who withdraws during the 1st grading period will be assessed 50% of the fee. **NOTE: some programs may require additional expenses.** Students will be responsible for damage to property if the loss is due to student negligence. Payments may be made by check if the check is for the exact amount of the payment. During the month of May, **NO** personal checks will be accepted. If it becomes necessary, in the case of a student who refuses to take care of these matters, it is permissible by law to withhold grades and school records. (Ohio Revised Code 3313.642).

Textbooks

Textbooks are the property of CCTC and are provided to the student for use in academic and related subjects. No charge will be made for normal use; however, excessive wear (beyond normal use), damage, and loss will cause the student to be assessed a fee.

Change of Program

Junior's requests to change vocational programs will be considered during the first ten (10) days of school. If a student desires to change programs, he/she must first contact his/her academy director or supervisor for a form. The student then needs to have the form signed by the current and the desired instructor. Once signed, the student needs to return the form to his/her academy director or supervisor, who will approve or deny the request. If approved, the student will be directed to student services to make the change. Changes are not always possible, but if the change is in the best interest of the student and space is available in the preferred program, every effort will be made to facilitate the change.

**Seniors must speak with the Guidance Counselor in May of their Junior year to change programs in their Senior year.

Emergency Medical Cards

Emergency medical cards will be given to all students during the first week of school by each program instructor. These are to be completed by the parent/guardian and returned to the program teacher. Failure to return the cards by the specified time will result in the student not participating in lab activities until which time the card is returned. Program instructors will check progress book or speak to the academic teachers to determine which academic class the student should attend.

Announcements

Morning announcements on the intercom system will be made at approximately 8:25 a.m. Afternoon announcements will be made at 1:45 p.m. Not every announcement will be for the entire student body; however, students have a responsibility to each other to remain quiet during the announcements and pledge. Announcements can also be found on the digital monitors around the building.

Communication with the home school

The CCTC staff feels that it is extremely important that students be kept informed of activities at their home school. Every effort to communicate with the home school is made to keep all students informed. CCTC students will be excused to participate in home school activity when home schools provide transportation. Home School Principals and Counselors will be invited to meet with their students throughout the school year at Collins Career Technical Center.

Apprenticeship Program

Students enrolled in apprenticeship programs are placed during the senior year in an on-the-job training station in an area related to their program. In addition, each student will attend two (2) 80 minute blocks of instruction. Each student's schedule will be determined by the program instructors, the apprenticeship coordinator and the guidance office.

Early Placement

Early Placement is designed to provide selected senior students with the opportunity to acquire on-the-job skills, which will permit the smooth transition from the school setting to the world of work. Early Placement will be designated by the Guidance Counselor or Principal. Information may be obtained from the program teacher.

Cafeteria

The cafeteria is open only during designated times. All students will eat in the cafeteria whether they buy or bring their lunch. All foods and drinks are to be consumed in the cafeteria. Students may have a thirty-minute period in which to eat. **Students are not permitted to leave the school grounds during lunch, nor be in the student parking lot.** It is your cafeteria; others will appreciate your cooperation in keeping it clean. All lunch trays and paper are to be removed from tables and placed on conveyor in cafeteria. Failing to clean-up after yourself will result in ALC. Students may pre-pay for student lunches by making arrangements with the cafeteria supervisor. Students who qualify and complete application may be approved for free or reduced priced meals. Applications are available in the main office. No outside food or drink may be brought to students during the school day (including deliveries).

Field Trips

Field trips will be arranged by instructors and other school personnel during the school year. An Acceptance of Responsibility form will be given to each student and must be returned by the time specified. Teachers can refuse permission for a student to go on a field trip for good cause shown. Field trips shall be requested and approved 5 school days before the trip takes place. Teachers need a list of students going on a field trip the day before. If student is failing teacher can mark "no" on the field trip permission form.

Cosmetology

Students who have their teacher's permission may make an appointment in cosmetology for a manicure, haircut, hairstyle, perm, etc. All work is performed by students under the supervision of a licensed instructor. These services are provided at a nominal fee which is payable at that time.

Students may make these appointments in conjunction with grooming units or as special reward for excellent attendance or exceptional performance in the program area. Appointments will be made only in the afternoon first semester. Morning and afternoon appointments will be accepted second semester.

Youth Organizations

The school has intra curricular clubs directly related to the vocational area in which students are enrolled. The purposes of these clubs are to develop leadership, cooperation, awareness, and appreciation of good citizenship, and to upgrade student's in-group social interactions. Youth clubs are: Agriculture and Horticulture (FFA); Business Professionals of America (BPA); Home Economics (FCCLA); Trade & Industrial Education (Ohio Skills USA/VICA). All students are to participate in activities, as this is an integral part of the curriculum.

National Honor Society

Home school grades, CCTC grades, recommendation of instructors, and other additional requirements are the eligibility criteria for the National Honor Society.

National Technical Honor Society

CCTC grades, recommendation of instructors, and other additional requirements are the eligibility criteria for the National Technical Honor Society.

Safety

Due to the vast amount of industrial equipment housed in the school, and because of the possibility of severe injury, it is absolutely essential that each student observes the safety requirements within each program. Each student should learn these requirements well, for he/she alone will be responsible for his/her actions. The consequences of failing to be safety conscious can be quite serious.

Emergency Evacuation Drills

Emergency evacuation drills will be held during the year. Students will report to assigned areas as directed by their instructor.

Student Insurance

Students are strongly urged to have accident insurance, as the school does not provide coverage for students.

Adult Students

Students eighteen (18) years old or emancipated juveniles are considered adults. Adult students participating in the day program are subject to the same rules and regulations relating to absenteeism, tardiness, discipline, and other matters of concern. However, adult status of a student requires differences in procedures to be followed in dealing with the adult student and his/her parent or guardian. After five (5) days of unexcused absences per semester, students eighteen (18) years of age may be withdrawn from school, effective as of the last day of attendance.

Parent Conferences

Parents and CCTC staff members are encouraged to communicate with each other. In addition to the two (2) regularly scheduled conferences, if a parent wishes to visit the school, or speak with a staff member, they are urged to call and make arrangements. CCTC teachers are to make required phone calls using the parent contact phone log.

Visitors

Students are not to bring friends, relatives, or children, unless pre-approved, to school for visits. There will be no exceptions. All non-CCTC staff should sign the visitor log in the front office.

Lost and Found

The school will maintain a lost and found service in the main office area.

Student Lockers

School lockers are the property of the Board of Education and are to be used for legal purposes only. **School officials reserve the right to inspect lockers for the protection of all without the student's permission at random. Lockers are not to be shared with other students.**

Collins Career Technical Center Electronics Policy/Cell Phone Use

Cell phones / electronic devices may serve as an outstanding instructional tool and learning resource if used appropriately. We encourage our staff members and our students to use electronics and other 21st century devices to supplement instruction and learning. In order to preserve the teaching and learning environment, this document is to clarify the cell phone / electronic device policy for Collins Career Technical Center. The policy is:

- Cell phones / electronic devices may only be used for educational purposes in the classroom setting. If a student wishes to use their device for non-educational purposes, they may do so before the morning bell rings, at lunch time in the cafeteria, and after school....Monday through Friday.
- Cell phones / electronic devices must be turned OFF before you enter any classroom, office, TRC or lab. Students may power their phones ONLY at the request of the classroom teacher.
- Once inside any of the above mentioned locations, students must store their cell phones / electronic devices in a location that is not visible to the teacher or other students, even though they are OFF, this includes ear buds as well. Students may use the device with teacher approval only.
- If a cell phone / electronic device rings, vibrates, or is used for any reason without teacher permission, or is visible any time during class time or if you are caught using it on campus during class time, a staff member may confiscate the device.
- Refusal to surrender your phone when asked is considered defiance. Defiance may result in disciplinary consequences, including suspension. Parents/guardians will be contacted.

1st Offense – Teacher will take device for the remainder of the block – and documents it was taken – teacher returns it to the student at the end of the block or lab time and advises the student not to violate the policy again.

2nd Offense – Turn into principal or assistant principal, who will advise the student of the consequences if there is further misuse of the device, and return to the student at the end of the school day.

The Lawrence County Vocational School Board of Education therefore adopts a Code of Student Conduct, and it may be reviewed upon request from any instructor or administrator. There are other effective disciplinary practices than those specifically covered in the Code of Student Conduct and teachers may develop other constructive practices. Methods of discipline include, but are not limited to, the following: parental conference, denial of privileges, ALC, suspension from class, referral to law enforcement officials or juvenile court, suspension, and expulsion.
